Funded Childcare:

It's important to know that government funding is not intended to cover the full cost of childcare. It does not include essential extras like meals and snacks, nappies, wipes, sun cream, additional hours, extra-curricular activities (e.g external specialist sessions – Boogie Bear) and external trips. If you're eligible for funding, you'll still be responsible for these items.

Chargeable Extras	Meals and Snacks (£)	Consumables (£)
Full Day	8.80	1.10
Half Day	4.40	0.55

For every funded session, we ask parents to contribute towards our chef-prepared on-site meals and all consumables such as nappies, wipes, sun creams, soaps, additional creams (where applicable), as these are not covered by the funding we receive. These are voluntary and charged in line with our fee structure. A full day of meals & snacks typically may include – Breakfast cereals, morning snacks, a hot lunch meal, afternoon fruit snacks and a warm meal for tea later in the afternoon along with all drinks throughout the day. The menu changes on a regular basis, so please speak to management if you want more information.

Additional Funding Information:

We stretch funded hours across 51 weeks of the year. This means you receive a maximum of 11.4 hours per week for the 15 hours scheme, or 22.8 hours per week for the 30 hours scheme. If you require any additional hours over and above the funded entitlement these will be charged at our standard rate (please refer to the standard childcare fees table listed on page 1).

Please speak to management for further information who can provide tailored information to meet your individual circumstances and support you where necessary.
